

2014-2015 Idaho Affiliate, Susan G. Komen for the Cure Grantees

In 2014, The Komen Idaho Affiliate granted over \$250,000 to fund 14 local breast health and breast cancer programs. These grants help fund breast cancer screening, rural outreach, support and survivorship services not otherwise available to women in our 28 county service area.

Community Cancer Services

Enriched Recovery Program for Breast Cancer Survivors

Assisting people who lack health insurance or otherwise have inadequate access to cancer care services by providing financial support and advocacy to help clients and their families.

(208) 255-2301, www.communitycancerservices.org

Counties served – Bonner, Boundary

Glenns Ferry Health Center, Inc.

Journey to Breast Health

Ensuring low-income, uninsured women requiring a mammogram can obtain one free of charge.

(208) 366-7416

Counties served – Elmore

Kootenai Health

Kootenai Health

Breast Imaging Support Program

Providing funds for underserved, uninsured or underinsured men and women in need of lifesaving screening and diagnostic mammography services.

(208) 666-2345, www.kootenaihealth.org

Counties served – Benewah, Bonner, Boundary, Kootenai, Shoshone

**Kootenai Health
Breast Cancer Patient Support**

Providing funds to help with essential living expenses and treatment support including child care, gas, groceries, transportation, medications, rent, medical equipment and supplies, and nutritional support.

(208) 666-2345, www.kootenaihealth.org

Counties served – Benewah, Bonner, Boundary, Kootenai, Shoshone

**Minidoka Memorial Hospital
Minidoka County's 1st Defense Against Breast Cancer**

Providing free mammogram services for underserved, culturally diverse and limited English speaking women.

(208) 436-8155, www.minidokamemorial.com

Counties served - Minidoka

**North Canyon Medical Center
Rural Care for Low to Middle Income Women**

Providing free mammogram and diagnostic service to women who cannot afford them, with the intention of reducing the number of late stage breast cancers and promoting breast health awareness in their region.

(208)934-9888, www.ncm-c.org

Counties served - Camas, Elmore, Gooding, Jerome, Lincoln, Twin Falls

Public Health
Prevent. Promote. Protect.

Panhandle Health District

Panhandle Health District

Screening and Education for Early Diagnosis of Breast Cancer

Providing a clinical breast exam, appointment, and voucher for mammography and/or ultrasound to low income, uninsured residents of North Idaho.

(208) 415-5293, www.phd1.idaho.gov

Counties served – Benewah, Bonner, Boundary, Kootenai, Shoshone

Saint Alphonsus

BREAST CARE CENTER

Saint Alphonsus Regional Medical Center Breast Care Center

Breast Cancer Early Detection for the Underserved

Providing low-income patients access to breast cancer screening and diagnostic imaging procedures. Reducing disparities in early detection and successful treatment of breast cancer, especially among poor, underserved and rural residents by reducing financial barriers.

(208)367-3336, www.saintalphonsus.org/breast-care-center

Counties Served - Ada, Adams, Boise, Canyon, Elmore, Gem, Owyhee, Payette, Valley, Washington

Saint Alphonsus

CANCER CARE CENTER

Saint Alphonsus Regional Medical Center – Cancer Care Center

Breast Cancer Patient Assistance Fund

Supporting financially disadvantaged patients living with a breast cancer diagnosis to fulfill basic needs for housing and other living essentials, maintain adequate nutrition, preserve communication with medical teams and support networks, access treatment centers, and obtain supplies necessary for rehabilitation.

(208)367-3131, www.saintalphonsus.org/cancer-care-center

Counties served - Ada, Adams, Boise, Canyon, Elmore, Gem, Owyhee, Payette, Valley, Washington

St. Luke's McCall Foundation

Miraculous Mammography

Increasing the health of women through screening and diagnostic services for uninsured patients, financial support for breast cancer patients, outreach and education through

breast buddies targeted to Adams and Idaho counties, and miraculous mammography promotion sharing patient stories to humanize and localize the impact of early detection.
(208)634-2426, www.mccallhosp.org
Counties served - Adams, Idaho, Valley

St. Luke's Mountain States Tumor Institute – Breast Care Services

St. Luke's Breast Care Services Funding Program

Providing a full-spectrum of services including screening, diagnostics, surgery, treatment, education and navigation, reconstruction and survivorship. Providing a financial resource to patients thus reducing the financial barrier to care patients have as an obstacle for wellness and health.

(208)706-2055, www.stlukesonline.org/specialties_and_services/breast_care

Counties served – Ada, Adams, Blaine, Boise, Camas, Canyon, Elmore, Gem, Gooding, Owyhee, Payette, Valley, Washington
